## CHRISTOPH BRAUN RECEIVES PROCURATION AT AUGUST HILDEBRANDT GMBH

The Hildebrandt Group is constantly growing and developing. As a logical further step, we have now appointed an authorized signatory.

Our long-time employee Christoph Braun is authorized signatory of August Hildebrandt GmbH since 01.02.2022. Since 2009, Christoph Braun has already been Sales Manager at August Hildebrandt GmbH and since 2017 Managing Director of EMS SAS.

„With Christoph Braun, we have a competent and experienced expert in our industry, to whom we are happy to transfer responsibility,“ said managing partners Sabine von Köppen and Mathias Lohraff.

We are looking forward to the further cooperation and see ourselves optimally positioned for the future.
