

# 12,5 x 12,5 m BASKET

Q3 2019

## CONTINUOUS DEVELOP

We continuously develop our range of products and follows our statement as “FULL RANGE SUPPLIER FOR REELS” by adding equipment such as lifting equipment, handling equipment, motorized stands and baskets for cable storage and installation.

We successfully supplied in August 2019 a basket of 12,5m x 12,5m with a load capacity of 152,0t for one of our top customers. The supply included an assembling at final storage area and full documentation book including verification by 3rd party. This basket is designed to carry spare cable with a total weight of 152,0t for a period of at least 25 years without any additional maintenance requirement.
